

**CEYLINCO GENERAL INSURANCE LTD**

**No. 1 Ranked  
General Insurance Company  
in Sri Lanka**

---

## Overview of Sri Lanka

Sri Lanka is a country with a unique and a proud historical record as a great civilization and a culture of achievements. It is one of the most rapidly developing countries in Asia, with the construction of the Colombo Financial Centre or Port City, which is expected to propel the island-nation into a financial hub in the region. Infrastructure development, foreign investment inflow and a vibrant tourism industry are transforming the country, with some of the world's leading companies setting up operations here.

## About us

Ceylinco General Insurance Ltd, the market leader in the insurance industry for the past 8 years, operates the largest insurance network in the country with over 525 branches and service centres. It is part of the reputed 'Ceylinco Insurance PLC' Group, with business interests in Life and General Insurance, Hydropower Generation, Education, Health Care and Development Banking.

Commenced Business in **1939** as  
**CEYLON INSURANCE COMPANY**

Company operations was stopped due to Nationalization of insurance industry in Sri Lanka in 1962, after the denationalization in **1987**, the company recommenced as  
**CEYLINCO INSURANCE COMPANY LTD**

## Our strengths

Ceylinco General Insurance Limited is at the forefront of the island-nation's Insurance Industry, widely known for its pioneering spirit, innovation in products and services, high quality of customer care and brand presence across the length and breadth of the country. Ceylinco General Insurance is reputed for its speedy settlement of claims, most of them 'On The Spot', for the superior customer service it provides to customers and for its professionalism.

## International Presence

---

## Why Us?

Ceylinco General Insurance is a dynamic organization with many firsts to its credit such as On the Spot Claim settlement process, which has been replicated in Sri Lanka and overseas. Its team is led by veterans in the insurance industry, with a professional sales team of 1800 and totaling over 3500 staff. One of the largest branch networks in the country, our branches are situated at strategic locations around the island to ensure ease of access to our services.
