AIG D&O Differentiators

Claims Excellence

- Outstanding depth and breadth handling Management Liability claims.
- Wherever clients have a D&O claim, we will have seen something similar before!

Underwriting Expertise

- Long history of writing D&O insurance for many clients.
- Accomplished at explaining potential management liabilities and how we can protect against them.

Multinational Footprint

- We can issue D&O policies throughout the world for our clients with overseas operations.
- Backed by global network of D&O underwriters and claims handlers to service clients locally.

Flow

- Standard solutions with quick and straightforward service.
- Learn more about Flow on www.aiginsurance.nl/flow.
